

MATLAB Trial license Application Guide

Trial period : From now to Dec. 31, 2017

Products for trial : MATLAB+Simulink + 47 Toolbox

How to apply :

1. Register an account in MathWorks web site(www.mathworks.com)

The screenshot displays the MathWorks website's 'Support' page. At the top, the MathWorks logo is on the left, and navigation links for 'Products', 'Solutions', 'Academia', 'Support' (highlighted with a red box), 'Community', and 'Events' are in the center. On the right, there are links for 'Contact Us' and 'How to Buy'. A search bar labeled 'Search MathWorks.com' is positioned above a large banner. The banner features a laptop displaying a contour plot and the text '7 Reasons Engineers and Scientists Prefer MATLAB' with a 'Learn more' button. Below the banner, the 'Support' section includes a search bar labeled 'Search All Support Resources' and a 'Support' dropdown menu. At the bottom, there are two main sections: 'Get Started' and 'Get Help'. 'Get Started' includes icons for 'Download Products', 'Installation Help', and 'Tutorials'. 'Get Help' includes icons for 'Documentation', 'Examples', and 'Answers'. A 'Log In' link is also visible in the top right corner of the page.

Log in to your MathWorks Account or create a new one.

Search MathWorks.com

Create MathWorks Account

Email Address

xxxxxx@ntu.edu.tw

*** University Email address only**

You will need to verify your email address

Country/Region

Taiwan

*** Choose Tawan**

How will you use
MathWorks software?

Please select

Commercial work (including research)
Government work (including research)
Personal, non-commercial projects
Teaching or research in school
Student use

Staff please choose:

(Teaching or research in school)

Students please choose:

(Student use)

Are you at least 13
years or older?

☒ Yes ☐ No

Cancel

Create

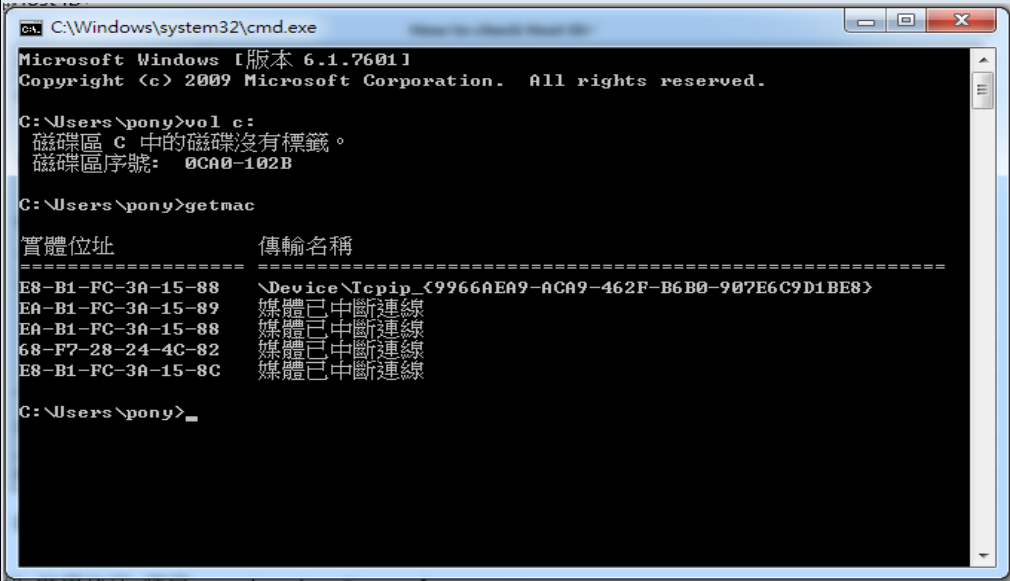

Check your mail box for receiving the confirm letter and click “Verify your email”

MathWorks Account

First Name	
Last Name	
User ID (Optional)	 Must include 6 to 16 alphanumeric characters and start with a letter (Example: jsmith555) Learn more
Password	 Must be at least 8 characters, with at least one upper-case and one number
Password Confirmation	

2. Check Host ID

How to check Host ID	
OS
